Homeowner agrees and understands that no work on this request shall commence until written approval of the Architectural Control Committee has been received.

The Homeowner must agree and sign that upon approval of the Architectural Request:

1. Homeowner will comply with all city and state laws, and to obtain the necessary permits.
2. The architectural change must be completed within thirty (30) days from construction start date.
3. The architectural change is subject to inspection by a member of the Architectural Control Committee following completion of the change. The Association retains the right to remove the architectural change if, in view of the Architectural Control Committee, the change has not met with the guidelines and specifications, with the Homeowner bearing all costs of the removal.
